Cyfleusterau'r safle

Os oes unrhyw beth y gallwn ei wneud i helpu yn ystod eich ymweliad, cysylltwch â ni ymlaen llaw, neu gofynnwch pan fyddwch yn cyrraedd.

Mae mynediad gwastad heb risiau i'r Hwb Ymwelwyr ac mae'r holl gyfleusterau ar yr un lefel. Mae dolen glyw yn y siop a'r caffi. Gall y Hwb Ymwelwyr fod yn lle swnllyd a phrysur, yn enwedig rhwng mis Mehefin a mis Medi.

Mae'n gallu bod yn lle ofnadwy o wyntog yma ar ben y graig.

Site facilities

If there's anything we can do to help during your visit, please contact us in advance, or ask when you arrive.

The Visitor Hub has level, step-free entry and all the facilities are on the same level. There is a hearing loop in the shop and café. The Visitor Hub can be noisy and busy, especially between June and September.

The clifftop location means the site can be extremely windy.

Out and about

Please read the trail descriptions for details of the surfaces and gradients so that you can decide if they're suitable for you. Both trails have steep sections with uneven stone steps.
