

England top 10 2024

Big Garden
Birdwatch

We're so excited that 526,615 nature lovers in England took part in the Birdwatch this year, spotting a phenomenal 8,157,615 birds. Perched in top spot for the 21st year running was the chirpy House Sparrow. The Woodpigeon and the Great Tit moved up a spot, and the Starling and Goldfinch dropped down by one.
