

# England top 10 2023

Big Garden  
Birdwatch

We're so excited that 468,003 nature lovers in England took part in the Birdwatch this year, spotting a phenomenal 7,804,880 birds. Perched in top spot for the 20th year running was the chirpy house sparrow. Places 2-9 remained static, but the long-tailed tit made a comeback into 10th place.
