

# RSPB grants

The RSPB makes grants each year to important partners and organisations, at Trustees' discretion, on a project basis where such projects meet the RSPB's charitable objectives and contribute towards the strategic outcomes. In making awards, consideration is given to the most effective and efficient use of resources. No individual grant was material in value and no grants were made to individuals. The following organisations and partners received grants in the financial year 2022–23.

- Anguilla National Trust
- Ascension Island Government
