

Northern Ireland top 10 2023

Big Garden
Birdwatch

We're so excited that 11,739 nature lovers in Northern Ireland took part in the Birdwatch this year, spotting an impressive 148,001 birds. Perched in top spot for the 20th year running was the chirpy house sparrow. Three birds jumped a place and two dropped down a place. The collared dove reappeared in 10th.
